## **SUPPORT US: MAKE A TAX-DEDUCTIBLE DONATION**

Candlewood PTA advocates for you and your child(ren), and we sponsor a variety of community and educational programs which complement your child(ren)'s education at Candlewood. For the 2017-2018 school year, we aim to:

- Provide in-school and after-school enrichment programs, encompassing the arts, sciences, and physical activities and including outside speakers and assemblies
- Advocate for our school and our students within MCPS and Montgomery County
- Host teacher and staff appreciation events, as well as grants for each grade team to support their learning programs
- Inform families about critical issues related to the education of their child(ren)
- Build community through regular communications and events open to all Candlewood families

To achieve these goals for the benefit our entire community, we depend on tax-deductible donations from every Candlewood family. Please support us so we can support you and your child(ren)!

**Please complete and return this form to the school address noted above with your check made payable to *Candlewood PTA* or donate online at <http://www.candlewoodpta.com/SupportUs.html>.**

**Suggested giving levels & examples of how your giving will help us support our community (please indicate your level by checking the box):**
