# Soccer and Track at Candlewood!

**First Strike Soccer:** Learn to play the world's sport! Players are introduced to ball control techniques for dribbling, passing and shooting. Each class will include competitions in footwork agility, relays, and world cup!

**Smiles 4 Miles Track:** Students will learn proper running technique and work towards achieving distance goals while having fun through confidence-building drills and games. Activities include relays, flag tag, cat and mouse, scarf race, and many more as we run 4 fun!

\*We will be following social distancing guidelines.
