

Candlewood Elementary School

Chess Club Winter 2019

Chess Club is taught by experienced Silver Knights instructors using a curriculum certified by National Masters. In Chess Club, students learn rules, develop playing strategies, and practice with peers.

Students learn all about the chess pieces and chess board at a gentle pace, adding details bit by bit as they accumulate all the knowledge necessary to play a full game of chess.

Playing chess is a great way to develop a child's critical thinking skills, sportsmanship, and patience — all while having fun!
