Immersion Level I

Get down with 100% Chinese! The classes are designed to help kids learn effectively while having fun. We will use all sorts of games and activities such as role-playing, guessing games, hands-on activities etc. to learn everyday objects, daily routine phrases, simple question-answer models and more with lots of giggles.

Immersion Level II

Step up to the next level using textbooks and workbooks. These advanced lessons will add reading and writing elements and follow a set of curricula to strengthen the understanding of language. This class benefits students who have had prior Chinese experience. Invitation through assessment only.
