Hip Hop is a high-energy dance form that uses the latest sounds in rap, R&B, and pop music, and is perfect for boys and girls who love to move! This fun-filled class immerses students in all aspects of motion, developing their balance, coordination and strength, as well as promoting creativity, teamwork, and self-esteem. We use child-friendly music in all of our Hip Hop classes (often Kids Bop), and all movement is age-appropriate. Students will learn hip hop choreography that they will perform on the last day of class. Parents are invited to join us on the last day of class for a Parent's Day performance.

Our Beginner ASL Course will accommodate both new and previous beginner level students by including new beginner level material! Explore a new world of communication by learning American Sign Language (ASL)! ASL is the fourth most commonly used language in the U.S., and learning ASL can open new lines of communication between hearing and hearing impaired individuals. Additionally, studies have shown that learning the ASL signs for letters and words can help children with spelling and vocabulary skills. The students will learn the signs for basic vocabulary terms and sentences in a fun, child-friendly environment. Parents are invited to join us on the last day of class for a Parent's Day demonstration.

*Listed tuition price includes a Tommie Shaw & Co. Online Registration Processing Fee.*
