## Young Chefs Winter 2019

Young Chefs, brought to you by *Creative Enrichment*, provides a unique interactive cooking experience for students grades K-5th grade. Young Chefs teaches children the joys of cooking, basic cooking ingredients, nutrition, and the accomplishment of creation.

Our Young Chefs will work together to prepare fun, delicious, nut-free recipes. We explore how chefs use math, science, creative art, history, language arts to create the food we eat. At the end of the cooking program, each child will go home with a *Young Chef's Recipe Book*, featuring all the scrumptious recipes we prepared in class.
